mildew

Oxford Advanced Learners Dictionary 8th Ed.

mil·dew [mildew mildews mildewed mildewing] *BrE* ['mɪldʒu:] *AmE*

['mɪldʒu:] *noun uncountable*

a very small white ↑fungus that grows on walls, plants, food, etc. in warm wet conditions

Word Origin:

Old English mildēaw 'honeydew', of Germanic origin. The first element is related to Latin *mel* and Greek *meli* 'honey'.

mildew

Longman DOCE 5th Ed. (En-En)
