[bôr, bōōr]

1.

chiefly *historical n.* a member of the Dutch and Huguenot population that settled in southern Africa in the late 17th century

- The Boers were Calvinist in religion and fiercely self-sufficient. Conflict with the British administration of Cape Colony after 1806 led to the Great Trek of 1835–37 and the Boer Wars, after which the Boer republics of Transvaaland Orange Free State became part of the Republic of South Africa. The Boers' present-day descendants are the Afrikaners

2.
