Longman DOCE 5th Ed. (En-En)

stocky /'stɒki \$ 'stɒkɪ/ *BrE* *AmE* *adjective* (comparative **stockier**, superlative **stockiest**)

a stocky person is short and heavy and looks strong:

a stocky build—**stockily** *adverb*—**stockiness** *noun* [uncountable]

• • •

THESAURUS■ **person**

- **short** someone who is short is not as tall as most people: He was a short fat man.
- **not very tall** quite short. This phrase sounds more gentle than saying that someone is **short**. She wasn't very tall – maybe about 1.60 m.
- **small** short and with a small body: My mother was a small woman. | The girl was quite small for her age (=smaller than other girls of the same age).
- **petite** used about a woman who is attractively short and thin: She was a petite woman with blonde hair.
- **stocky** used about a boy or man who is short, heavy, and strong: Harry was stocky and middle-aged.
- **dumpy** short and fat: a dumpy girl with red hair
- **diminutive** *formal literary* very short or small – used especially in descriptions in novels: a diminutive figure dressed in black
- **stubby** stubby fingers or toes are short and thick: the baby's stubby little fingers
