THESAURUS

to say yes

- **agree** to say that you think that someone's plan or suggestion is a good idea and you think it should happen: Charles suggested going for a picnic, and we all agreed. | The Council of Ministers would never agree to such a plan. | Few people expect the rebels to agree to the peace plan. | When I proposed that in future we should hold our meetings in the bar, the others agreed wholeheartedly.
- **say yes especially spoken** to agree to do what someone has asked: They asked if I would give a talk, and I stupidly said yes.
- **approve** to officially agree to a plan or proposal: Congress approved the plan by a large majority.
- **give your consent** to say that you agree to something that will affect you, your family, or your property, when you have the legal right to say 'no': Her parents have given their consent to the marriage.
- **go along with something** to agree with someone else's plan or suggestion even though you are not sure if it is the right thing to do: He wasn't very happy with the idea, but he decided to go along with it.

to have the same opinion

- **agree** to have the same opinion as someone, or to think that a statement is correct: I totally agree with what you've just said. | I completely agree with Chomsky when he says that humans are born with a special ability to learn language. | Most experts agree that dieting needs to be accompanied by regular exercise.
- **be in agreement formal** if people are in agreement, they agree with each other, especially after discussing something: The brothers are in agreement over the future of their company. | The world's scientists are in agreement that global warming is a problem that needs to be addressed.
- **share sb's view/be of the same opinion formal** to have the same opinion as someone, especially about an important issue: A lot of people share his view that tourism will have a negative impact on the island. | Professor Dawkins is of the same opinion as Dr Jones. | They share the view that nuclear energy can play an important role in meeting global demands for energy. | All three specialists were of the same opinion about the cause of her illness.
- **concur /kən'kʊr/\$-'kɜr/ formal** to agree with someone or about something – a very formal word which is used especially in official contexts: The committee concurred with this view. | She asked her colleague, and she concurred. | Was it his aggression which set him apart from his rivals? 'Possibly,' he concurred. | As most biblical scholars concur, the letter could not have been written by any contemporary of Jesus.
- **see eye to eye [not in progressive]** to agree with someone about something – used especially in negative sentences: We don't always see eye to eye, but we do respect each other's opinions.
- **agree up to a point** to partly agree with someone: I agree with you up to a point, but surely the situation is more complex than that?

agree with something phrasal verb

1. to believe that a decision, action, or suggestion is correct or right: I don't agree with hitting children.
2. **not agree with somebody** if a type of food does not agree with you, it makes you feel ill: Green peppers don't agree with me.
3. if an adjective, verb etc agrees with a word, it matches that word by being plural if the word is plural etc
