intact

Oxford Advanced Learners Dictionary 8th Ed.

in·tact *BrE* [ɪnˈtækt] [ⓘ] *NAmE* [ɪnˈtækt] [ⓘ] **adjective not usually before noun**

complete and not damaged

Syn: ↑undamaged

- Most of the house **remains intact** even after two hundred years.
- He emerged from the trial with his reputation intact.

Word Origin:

[**intact**] late Middle English: from Latin *intactus*, from *in-* ‘not’ + *tactus* (past participle of *tangere* ‘touch’).

Example Bank:

- The character of the original house is very much intact.
- The collection should be kept completely intact.
- The mill machinery is still intact.
- The team returns largely intact to defend its title.
- We found the tomb perfectly intact.
- a group of old army buildings that had been left largely intact
- a hero who always escaped by the skin of his teeth, emerging miraculously intact after each cliff-hanging episode

intact

Longman DOCE 5th Ed. (En-En)
