aggression

Oxford Advanced Learners Dictionary 8th Ed.

ag-gres-sion [aggression aggressions] *BrE* [ə'ɡresjən] * *NAmE* [ə'ɡresjən] * *noun***uncountable**

1. feelings of anger and hatred that may result in threatening or violent behaviour
 - The research shows that computer games may cause aggression.
 - Nowadays our aggression is channelled into sports.
2. a violent attack or threats by one person against another person or by one country against another country
 - unprovoked military aggression

Word Origin:

early 17th cent. (in the sense 'an attack'): from Latin *aggressio(n-)*, from *aggredi* 'to attack', from *ad-* 'towards' + *gradi* 'proceed, walk'.

Example Bank:

- Acts of aggression against local shop owners should be reported to the police.
- Aggression by one nationality against another often leads to war.
- Do toy guns encourage aggression?
- He managed to channel his aggression into sport.
- It showed no aggression towards other dogs.
- The president announced that the country would not tolerate foreign aggression.
- a display of naked aggression
- the brutality and aggression displayed by the soldiers
- ways of releasing pent-up aggression
- Each country agreed to halt all acts of aggression against the other's territory.
- They condemned what they saw as unprovoked military aggression against the country.

aggression

Longman DOCE 5th Ed. (En-En)
