THESAURUS

- **shame** the feeling you have when you feel guilty and embarrassed because you, or someone who is close to you, have done something wrong: She never overcame the shame of having abandoned her children. | He remembered his angry words with a deep sense of shame. | Following the scandal, Garrison resigned in shame.
- **humiliation** a feeling of shame and embarrassment because you have been made to look weak or stupid in front of other people: What really upset me was the humiliation of having to ask her for money. | He suffered the humiliation of defeat in the first round of the competition.
- **dishonour** *British English*, **dishonor** *American English formal* the loss of other people's respect because you have done something bad, or you have been unsuccessful: His comments have brought shame and dishonour on him and his profession. | There is no dishonour in failure when you have done everything you possibly can to succeed.
- **stigma** the feeling that other people in society disapprove of you because of something that has happened to you, or because you feel different from most other people in some way – used especially when this seems unfair and unreasonable: Even when someone has been found innocent of a crime, the stigma often remains. | At first I found the stigma of being unemployed very difficult to cope with. | In many countries there is still a strong social stigma attached to homosexuality.
