he has rats in the attic - ≅ у него винтиков не хватает

attic

Oxford Advanced Learners Dictionary 8th Ed.

attic [attic attics] *BrE* [ˈætɪk] [ⓘ] *NAmE* [ˈætɪk] [ⓘ] **noun**

a room or space just below the roof of a house, often used for storing things

- furniture stored in the attic
- an attic bedroom

compare ↑garret, ↑loft

Word Origin:

late 17th cent. (as an architectural term designating a small order above a taller one): from French *attique*, from Latin *Atticus* 'relating to Athens or Attica'.

Example Bank:

- Her photography studio was a converted attic.

attic

Longman DOCE 5th Ed. (En-En)

at tic /ˈætɪk/ *BrE* [ⓘ] *AmE* [ⓘ] **noun** [countable]

[Date: 1700-1800; Language: French; Origin: attique, from attique 'of ancient Athens', from Latin Atticus; from the use of an ancient Greek style in designing structures around the top of buildings]

a space or room just below the roof of a house, often used for storing things:

a small attic room
