archaeology
archae·ology (NAmE also arche·ology )BrE [,a ki | led i NAmE [,a rki | l
              noun uncountable
     the study of cultures of the past, and of periods of history by examining the remains of buildings and objects found in the ground
          see also findustrial archaeology
                Derived Word †archaeological
                See also: †archeological
                Word Origin:
                [archaeological archaeology] early 17th cent. (in the sense 'ancient history'): from modern Latin archaeologia, from Greek
                arkhaiologia 'ancient history', from arkhaios 'ancient'. The current sense dates from the mid 19th cent.
