Word Origin:

late 16th cent. (in the sense 'throw or cast on something'): from Latin **inject-** 'thrown in', from the verb **inicere**, from **in-** 'into' + **jacere** 'throw'.

Example Bank:

- The animals were injected with small amounts of the chemical.
- trying to inject some new life into their marriage

# inject

Longman DOCE 5th Ed. (En-En)
