THESAURUS

- **obvious** something that is obvious is very easy to notice or understand – used especially when you are surprised that other people cannot notice it: There is an obvious connection between the two murders. | It was obvious that something was wrong.
- **clear** easy to notice that something is true, so that you feel sure about it and have no doubts: It was clear to me that my father was dying. | There are clear signs of an economic recovery.
- **noticeable** very easy to notice, especially because you can see, hear, smell, or feel something: Steroid drugs cause a noticeable change in someone's behaviour. | Road noise tends to be more noticeable in certain weather conditions.
- **conspicuous** very easy to notice, because of being different from things around them: a conspicuous white spot on the bird's wings | She tried to make herself look less conspicuous. | Don't leave your valuables in a conspicuous place.
- **unmistakable** extremely obvious, so that you cannot possibly confuse something with something else: the unmistakable sound of gunfire | The flower's scent is unmistakable.
- **self-evident** *formal* facts, ideas etc that are self-evident are obvious and true, although some people may not accept them or know about them: The facts in this case are self-evident and cannot be denied. | We hold these truths to be self-evident (=we believe that they obvious and true – from the American Declaration of Independence).
- **blatant** use this about something that someone does which is clearly bad, but which they do not seem to be ashamed of: a blatant lie | The bill is a blatant attempt to limit our right to free speech.
- **can tell** to know that something must be true because you can see signs that show this: Even though it was dark, she could tell it was him. | How can you tell if you've broken your arm?
