—**drunkenly** *adverb*
—**drunkenness** *noun* [uncountable]

THESAURUS

- **drunk** [not usually before noun] having drunk too much alcohol so that your behaviour and mental processes are affected: Gary was too drunk to remember what had happened that night. | I just hope they don't get drunk and start fighting. | drunk driving | The police are going to crack down on drunk drivers.
- **tipsy/merry** [not before noun] slightly drunk: After the second glass of wine I was feeling a little tipsy.
- **pissed** [not usually before noun] *British English informal* drunk – this word is very common in spoken British English, but it is not polite: Don't listen to him – he's pissed.
- **intoxicated** [not before noun] *formal* drunk: He was arrested for driving while intoxicated.
- **paralytic/legless** [not before noun] *British English informal* extremely drunk: Don't give Dave any more to drink – he's already legless. | They became totally paralytic and abusive.
- **drunken** [only before noun] *especially written* used to describe someone who is drunk or their behaviour. **Drunken** is mainly used in written English and is always used before a noun. Don't say 'he is drunken'. Say **he is drunk**: A drunken man was found lying outside a shop door. | We found him lying by the roadside in a drunken stupor (=almost unconscious as a result of being drunk).
