Synonyms:**worried**

concerned • nervous • anxious • uneasy

These words all describe feeling unhappy and afraid because you are thinking about unpleasant things that might happen or might have happened.

worried • thinking about unpleasant things that might happen or might have happened and therefore feeling unhappy and afraid**concerned** • worried and feeling concern about sth**worried or concerned?****Concerned** is usually used when you are talking about a problem that affects another person, society, the world, etc, while**worried** can be used for this or for more personal matters.**nervous** • feeling worried about sth or slightly afraid of sth**anxious** • feeling worried or nervous about sth**worried, nervous or anxious?**

Worried is the most frequent word to describe how you feel when you are thinking about a problem or something bad that might happen. **Anxious** can describe a stronger feeling and is more formal. **Nervous** is more often used to describe how you feel before you do something very important such as an exam or an interview, or something unpleasant or difficult. **Nervous** can describe sb's personality: ▪ a very nervous girl is often or usually nervous ▪ a worried girl is worried on a particular occasion or about a particular thing. **Worried** describes her feelings, not her personality. **Anxious** may describe feelings or personality.

uneasy • feeling worried or unhappy about a particular situation, especially because you think sth bad may happen or because

you are not sure that what you are doing is right
