• • •

THESAURUS

- in general** used when saying that something is usually true in most situations, or about most people or things: In general,

temporary jobs are less well-paid. | In general, the bigger a company becomes, the harder it is to maintain customer satisfaction.
- **generally** another way of saying 'in general', which is often used before a verb. **Generally** can also be used to say that most people have a particular opinion: Women generally live longer than men. | Newton is generally regarded as the father of modern science.

- **generally speaking/as a rule** other ways of saying 'in general': Generally speaking, large breeds of dog are becoming less popular. | He's a singer who doesn't do interviews, as a rule. | The graduates are, generally speaking, a confident and articulate group of young people.

- **mostly/mainly/largely** used when saying that something is true about most people or things, or about most of something. **Largely** is slightly more formal than **mostly** or **mainly**: The disease mainly affects women. | Their attempts were largely unsuccessful. | The students were mostly French and German, but there were a few Japanese students too.

- **for the most part** used when saying that something is true in most cases, but not in every case: These problems have for the most part been resolved. | For the most part, the gangs were made up of boys aged between 11 and 16.

- **by and large/on the whole** used for saying that something is true in most ways or in most cases: The project was, by and large, a success. | On the whole, people were very friendly.
