recourse

Oxford Advanced Learners Dictionary 8th Ed.

re-course [recourse recourses] *BrE* [rɪ'kɔ:ɹs] *NAme* ['ri:kɔ:ɹs] *noun*

uncountable (formal)

the fact of having to, or being able to, use sth that can provide help in a difficult situation

- Your only recourse is legal action.
- She made a complete recovery **without recourse to** surgery.
- The government, when necessary, **has recourse to** the armed forces.

Word Origin:

late Middle English (also in the sense 'running or flowing back'): from Old French *recours*, from Latin *recursus*, from *re-* 'back, again' + *cursus* 'course, running'.

Example Bank:

- Citizens have learned that they do have recourse against governments.
- Drivers have little recourse but to wait until the weather clears.
- I have no other recourse than to inform the police.
- She often had recourse to her dictionary.
- The mother of an illegitimate child had no legal recourse to the father.
- The study of these creatures has been conducted without direct recourse to living specimens.
- Their system of dispute resolution avoids recourse to the courts.
- There is no recourse available to the victim.
- They tried to settle the dispute without recourse to the courts.
- a charity for women with no recourse to public funds
- people who deal with emotional pain by recourse to drugs and alcohol
- workers who have no recourse to trade unions
- The government, when necessary has recourse to the armed forces.

recourse

Longman DOCE 5th Ed. (En-En)

re-course /rɪ'kɔ:ɹs/ *BrE* *AmE* *noun* [singular, uncountable] *formal*

[Date: 1300-1400; Language: French; Origin: *recours*, from Latin, from *recurrere*; ⇨ ↑ *recur*]

something that you do to achieve something or deal with a situation, or the act of doing it:

▪ We may conclude that he never had recourse to this simple experiment.

without recourse to something (=without using or doing something)

- a way of solving disputes without recourse to courts of law
- Surgery may be the only recourse.
