Creators: Mary Bowen and Liz Hocking | Publisher: Macmillan Education

English World is first-ever integrated ten-level print and digital English course for primary and secondary schools. Written by the authors of the best-selling Way Ahead and Macmillan English, the course aims to give learners confidence in speaking, listening, reading and writing.

The course has six primary levels, and there are also four further levels for secondary.

Each level contains applies grammar and skills work in real-world contexts. Colorful characters, stories, songs and poems make learning fun for children, while exposing them to natural English in an active whole-class learning environment.

Английский мир - это первый интегрированный десятиуровневый печатный и цифровой курс английского языка для начальных и средних школ, написанный авторами бестселлера Way Ahead и Macmillan English. Курс направлен на то, чтобы дать учащимся уверенность в разговоре, восприятии английской речи на слух, чтении и письме.

Курс имеет шесть основных уровней, и четыре уровня повышенной сложности.

Каждый уровень содержит применение грамматики и навыков по восприятию английского языка в реальных контекстах. Красочные персонажи, рассказы, песни и стихи делают курс увлекательным для детей, одновременно погружая их в среду естественного английского языка в обстановке обучения всего класса.
